## **Transportation from the airport to city centre**

For detailed transportation options from Tallinn airport to the city centre, please see [here](#).

Please be advised that taxi rates are not limited by law in Estonia. Before you start your ride, make sure that the rate is acceptable to you and, if possible, ask the driver for the estimated fare. The airport recommends that you only use their partner taxis waiting at the official taxi park of the airport, immediately outside the main entrance to the airport.

## **Conference Working Language**

The main conference language will be English.

## **Chatham House Rule**

The conference will be held under the Chatham House rule. The only exceptions are the ceremonial opening, the key-note speeches, the farewell panel and the prize ceremony at the conference dinner. The Rule states that:

‘When a meeting, or part thereof, is held under the **Chatham House Rule**, participants are free to use the information received, but neither the identity nor the affiliation of the speaker(s), nor that of any other participant, may be revealed.’

In addition, no part of the conference may be recorded (sound and/or vision) without the written permission of the presenter and the executive directors.

## **Visa**

Estonia is a member of the Schengen Area. Conference participants from outside the Schengen Area who need a formal invitation from EuroISME to apply for a visa, are advised to contact Ms. Ivana Gošić as soon as possible.

Given the fact that the application for a visa may take a considerable amount of time, participants are advised to ask for a formal invitation from EuroISME no later than 4 weeks in advance. Participants coming from Russia should contact Ivana at their earliest convenience.
